

Scholarship Policy

It is Ao1's goal to make Ao1 accessible to as many children as possible. Requests for Audience of One ("Ao1") scholarships are accepted on a first-come/first-serve basis from any family currently experiencing financial hardship. The amount of scholarships available is limited and **families must resubmit requests for scholarships each session.**

Scholarships are provided to assist in payment of tuition only, are need-based. Ao1's standard scholarship is 50% of the total tuition cost. Applicants must be willing to submit financial information in order to be considered for a scholarship.

Applicants must submit a written petition addressed to the Ao1 Executive for all scholarship considerations 2 weeks prior to auditions. [Families asking for more than 50% must petition the BOD for consideration and may be required to submit more detailed financial documents.) All scholarship applications should be sent to Ao1's Executive Director, who will then forward all scholarship applications to the BOD for consideration.

The attached Tuition Scholarship Application must be submitted along with a completed registration and the required 50% deposit per child. If the scholarship request is denied for any reason, each applicant has five days after notification of denial to request a refund of the tuition deposit per child. After this five-day period has expired, the tuition deposit per child will be considered non-refundable. The balance of any tuition owed will be due on or before the auditions. Payment programs are available if needed. Please contact Ao1's Financial Director for details regarding available payment programs.

All submitted scholarship applications and financial information will be kept confidential.

Scholarship awards are non-transferable. This policy is subject to change at any time without additional notice.

Tuition Scholarship Application

STUDENT INFORMATION (please list all students registering for the session)

Name(s): _____
Address: _____
Home Phone: _____

PARENT INFORMATION (If differs from above)

Name(s): _____
Address: _____
